

This technical drawing illustrates a drainage system layout. It features a long, narrow channel with two circular manholes. The drawing includes stationing, elevations, and various labels such as 'PL40', '2495', and '13722'. The channel is shown with a dashed centerline and solid lines for the channel walls. The manholes are represented by circles with dashed outlines. The drawing is oriented horizontally, with stationing increasing from left to right. The elevations are given in meters above sea level (m.s.l.). The channel width is indicated by dimension lines and numbers. The drawing is a detailed plan view of the drainage system.
